WHEN TO GO

AUSTRALIA IS FAMED FOR WARM, TROPICAL SUN, AND THE COUNTRY IS SO BIG YOU ARE SURE TO FIND IT SOMEWHERE AT ANY TIME OF YEAR. AS A ROUGH GUIDE WE RECOMMEND THE FOLLOWING:

South-east: A great time to visit this diverse region is between April and October when you'll find warm temperatures without being too hot.

Central: Experiences a rugged desert climate. Summers (Nov–Feb) are extremely hot with temperatures rising between 32–40°C. The perfect time to visit is during the winter (Mar–May) when days are warm and evenings cool.

West: Predominantly desert with similar climate as central Australia. Perth and coastal areas enjoy more comfortable weather with summer highs above 30°C and winter lows averaging 8°C.

North: Being relatively close to the equator, a tropical climate prevails here making temperatures very high! Late autumn, winter and spring are therefore the best times to plan your visit.

FESTIVALS & EVENTS

Here is just a small selection of Australia's most significant events to give you a flavour of what's on offer. There are too many to list them all here so why not have a chat to your travel expert about what else you could experience.

Australia Day

26th January each year. Country-wide celebrations honour the great continent and what it is to be Australian. Head to Sydney for the renowned harbour display – definitely a highlight every year.

Humpback Whale Season

Catch the whale migration off the coast of Queensland from June to November. Hervey Bay is one of the top destinations for whale watching, but make sure you book your place on a boat in advance.

Australian Open 2016

From 18th to 31st January 2016, Melbourne will go tennis crazy for the Country's prestigious Grand Slam Championship. Choose your hotel for Melbourne on page 100.

Whale Shark Season

The chance to snorkel with these gentle giants is the opportunity of a lifetime. One of the best places in the world to do this is the Ningaloo Reef in Western Australia between April and July.

New Year's Eve in Sydney

Celebrate with the whole city for the biggest party of the year! Boasting one of the most spectacular fireworks displays out there, this is a NYE to remember! Choose your hotel for Sydney on page 38.

Book ahead:

All of these featured events are very popular so we strongly recommend booking well in advance to ensure hotel availability, and also the best-value prices. Your Flight Centre travel expert will be able to help you choose the right hotel.

Why FLIGHT CENTRE LOVES AUSTRALIA

1 IT'S OUR HOME

Flight Centre was born in Sydney, Australia well over 30 years ago and since then we've grown to become the world's number-one Australia specialist. We are so passionate about our homeland that all our travel experts are officially recognised by the Australian Government tourist board as Aussie Specialists. Our Australian heritage means we have unrivalled, long-standing relationships with our suppliers so we can get you the best price on your holiday and, in the unlikely event that something should go wrong, we have the relationships to get things put right with a minimum of fuss.

2 DIVERSE LANDSCAPES

The country's size means it is home to almost every type of landscape imaginable – making it a fascinating destination to visit. Venture to the tranquil surrounds of the misty Blue Mountains, easily reachable from vibrant Sydney; visit Tropical North Queensland to discover the neighbouring World Heritage sites of the lush Daintree Rainforest and the shimmering Great Barrier Reef; hop on a train in charming Adelaide and travel north into the dusty ochre landscape of the Red Centre; or discover the dazzling white-sand beaches of Western Australia before visiting the verdant vineyards of Margaret River.

3 FOOD AND DRINK

Foodies will fall in love with the diversity of cuisines available across the country, from fresh-off-the-boat seafood in Queensland's Tropical North, to mouth-watering grilled meats and rich artisan fare in the south and west. Australia is also home to several renowned wine regions, including Margaret River in the west, the Clare and Barossa valleys in South Australia and the Hunter Valley in New South Wales. Each region produces its own specialty wines, ensuring each cellar-door experience in Australia is unique.

4 CITY AND COUNTRY

The distance you travel to visit Australia means you won't be going just for a two-night city break. Instead make sure to combine several experiences into one trip, ensuring you get the best value for money and tick all the boxes on your holiday. Hire a car to explore at your own pace, break up your travels with some downtime by the beach, end your holiday with a taste of cosmopolitan city living or cram it all in – you can sleep on the way home! Our exclusive Journeys collection has been created to combine the best of Australia, ensuring no highlight is missed – you can choose one you see featured in this brochure or ask a Flight Centre travel expert to help you design your own Journey.

5 UNFORGETTABLE EXPERIENCES

You can experience more than your fair share of breath-taking moments in Australia. You could take a romantic hot-air balloon ride over the famed wine region of Hunter Valley, or dine under the stars by a moonlit Uluru. You can even escape to your own private paradise in the Whitsunday Islands, or have a once-in-a-lifetime wildlife encounter such as snorkelling with turtles on the Great Barrier Reef in Queensland, or crocodile spotting in Northern Territory. Your Flight Centre travel expert will be able to give you lots more inspiration too.

6 VARIETY OF ACCOMMODATION OPTIONS

Matching the diversity of experiences and landscapes is a wealth of incredible accommodation experiences to suit all tastes and budgets. Stay in a tented camp overlooking Uluru, or sleep in your own private tree house in a secluded national park. Experience the epitome of luxury at resorts such as Southern Ocean Lodge on Kangaroo Island (page 119) or Longitude 131° in the Red Centre (page 130), or sample Outback living at Rawnsley Park Station in South Australia's Flinders Ranges (page 121). From exclusive 5-star hotels in Melbourne (page 100) and Tasmania (page 151), to family-friendly apartments along the East Coast, no matter what your style you'll find something to suit you.

RAIL *Experiences*

Rail travel in Australia can be just as inspiring as the country's phenomenal landscapes, and no trip to Australia would be complete without experiencing the expanse of the Australian Outback, so if you're going to do it... do it in style. With epic journeys that stretch from coast to coast, seize the chance to see a different side of Australia, recline in the comfort of your luxury private cabin and gaze through the window as the iconic rugged terrain rolls by.

Our favourite Australian rail adventures are *The Ghan*, which travels from Darwin to Adelaide and vice versa, and the *Indian Pacific*, which carves its way across the continent from Perth to Sydney and vice versa. We love these journeys, not just because they reveal the raw heart of the country, but also the food is second to none. It's hard to believe you are dining on a train while you feast on the gourmet courses that are carefully prepared on board by highly skilled chefs. Check into your Platinum or Gold Class cabin and enjoy magnificent food and beverages covered by your all-inclusive fare. It's an experience that you'll never forget.

THE GHAN

The Ghan is one of the world's greatest rail journeys; carving its way from Adelaide to Darwin (or vice versa) you will experience ever-changing landscapes as you travel from the renowned wine regions of South Australia, through the vast Red Centre to the tropical Top End. Off-train excursions are included in the price of your fare and include guided Outback explorations, leisurely boat cruises and the opportunity to upgrade to take in the regions from the air with exclusive helicopter flights.

NEW FOR 2015...

- Witness an unforgettable Outback sunrise as part of the new dawn short stop at Marla
- Admire the Outback stars at the new short stop at Manguri

THE GHAN & INDIAN PACIFIC CABIN CLASSES

Gold Service

Stretch out, gaze through your window and enjoy the benefits of *Gold Service* from your own private cabin. Savour the mouth-watering dishes and drinks from your all-inclusive menu, then take advantage of the exclusive off-train excursions also included in this package. Twin ensuite cabins feature a three-seater lounge that converts to a twin sleeping area by night.

Platinum Service

Spanning the width of the train and almost double the size of *Gold Service* twin cabins, *Platinum Service* twin or double ensuite cabins offer the most luxurious environment for you to enjoy your epic journey, including oversize windows for views from both sides of the train. Treat yourself to all-inclusive dining and drinks plus off-train excursions and even private chauffeured transfers.

INDIAN PACIFIC

Traversing the width of the country on the longest stretch of straight railway track in the world, the *Indian Pacific* takes you between Australia's famous cities via its most remote historic towns and diverse countryside. This unforgettable experience is complemented by outstanding hospitality and exquisite dining. Make the most of your off-train excursions that give you the perfect opportunity to gain insight into the people, culture and spectacular geography that shapes the country.

NEW FOR 2015...

- Extended time in South Australia allows you time to enjoy the internationally acclaimed wines of the Barossa Valley
- Witness a Nullarbor Plain sunset with new-found friends at Rawlinna

QUEENSLAND RAIL

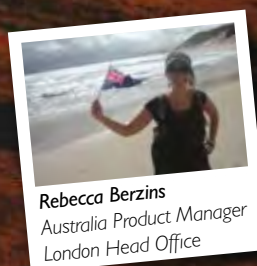

Travelling within the state of Queensland is made easy with the contemporary-styled rail services on offer. Cruise along the Queensland coast in the *Spirit of Queensland* – the service between Cairns to Brisbane that carries you in style, boasting on-demand, in-seat entertainment, as well as seats that convert to flat beds.

If you are looking to explore Southern Queensland, we recommend the *Tilt Train* for a scenic yet speedy way to travel between Brisbane, Bundaberg and Rockhampton – ideal for shorter, daytime trips.

“

If you are planning an amazing journey on the *Indian Pacific*, why not time your trip to coincide with the Western Australia wildflower season from September to mid-November.

Blue Mountains & Hunter Valley

Misty MOUNTAINS & verdant VINEYARDS...

These two captivating destinations both lie conveniently just outside Sydney so they make for an ideal escape for the locals, too. The Blue Mountains are breathtaking in their natural beauty, craggy peaks carpeted with a forest of eucalyptus trees. The purplish mist that emanates from the trees is what gives the region its name. Spend a few days bushwalking, hiking or simply enjoying the spectacular views from Echo Point. Perhaps the most famous wine region in Australia, the Hunter Valley is known for its Semillon and Shiraz varieties. Its charming landscape of rolling hills, vineyard-lined valleys and pastoral towns make it perfect for a romantic escape.

ARRIVING AND GETTING AROUND THE BLUE MOUNTAINS & HUNTER VALLEY:

The Blue Mountains are just over an hour west of Sydney, making the region suitable for both day trips and longer stays. The Hunter Valley is a little over two hours' drive from Sydney, yet feels a world away.

EMIRATES ONE&ONLY WOLGAN VALLEY RESORT & SPA ★ ★ ★ ★ ★

At a Glance... Experience absolute luxury & breathtaking seclusion in this stunning eco-retreat

Lose yourself in the beauty of the Australian bush at this ultra-luxury, conservation-based resort. Celebrating the natural surroundings while delivering every comfort, this impressive resort has it all. Beautifully appointed free-standing suites offer sanctuary and seclusion, while the resort's impressive facilities ensure guests experience a truly unique stay in the heart of the Blue Mountains World Heritage Area.

Why we LOVE this HOTEL

This has got to be one of the most stunning resorts I have ever visited. Everything I'd read was true! Arriving here from the noise and excitement of Sydney made me really appreciate the remote peacefulness and it doesn't take long to get used to the top-quality facilities on offer.

Spend your first day soaking up the atmosphere and letting the jaw-dropping views wash over you while you kick-back and relax. To help you get in the mood, I recommend a fabulous spa treatment. My treatment room had massive windows that faced out to the rolling hills of the greater Blue Mountains, so my eyes were soothed by this gorgeous location just as much as the rest my body from the massage.

Try something more active on day two, and choose from a huge amount activities on offer. Start off gently with a nature walk or wildlife safari, or get the adrenaline pumping with some mountain biking. The self-guided mountain bike routes range from light rides to more challenging trails, but all routes come with suggested spots to take a break and enjoy the epic scenery. Don't forget to keep your eyes peeled for wildlife too, I was lucky enough to see kangaroos, wallabies and a wombat!

Hotel Highlights

- Choose from several dining settings, including the Wolgan Dining Room with panoramic views & the more casual providore-style The Country Kitchen
- The resort's impressive walk-in wine cellar features over 150 carefully selected wines
- Cool down with a dip in your suite's private pool

QUEENSLAND

“If you are heading to Queensland then you have to make sure you get out to the Great Barrier Reef. Whether you are an experienced diver or have never even snorkeled before there is something for everyone. For the best visibility and some amazing ocean life, I recommend visiting the outer reef. It will be an unforgettable experience.”

A FUN-LOVING state
that's **LARGER** than life...

Most visitors to Australia will include Queensland on their itinerary – after all, it's where the Aussies go on holiday. This sunny state boasts miles of stunning coastline, running from the laid-back beaches of the Gold Coast in the south, to the forest-fringed waters of the Tropical North. One of the state's biggest draws is the famed Great Barrier Reef – stretching for 1600 miles it is the world's largest reef system and a huge draw for visitors, from snorkelling beginners, to qualified divers.

Whether you are seeking total relaxation (try the sophisticated resorts of the Gold Coast on page 86) or an island adventure (explore Fraser Island by four-wheel drive, see page 79), Queensland can cater for everyone.

Cape Tribulation

DON'T MISS...

THE RECORD BREAKERS

Home to the world's largest sand island, Fraser Island, and the world's largest reef system, the Great Barrier Reef, Queensland doesn't do things by halves. The Tropical North is also where you can find Daintree National Park, home to a third of the country's mammal species. So whether you are a nature lover, a water baby or an adventurer at heart, Queensland has something special for you.

FOR THE ROMANTICS: Take a scenic flight over the Whitsundays and pass over Heart Reef, an iconic heart-shaped reef and one of the most distinctive features of the Great Barrier Reef

SUN, SAND AND SEA

Queensland's beaches are some of the world's most beautiful, and you'll struggle to visit the state without setting foot on the soft sands of some of them. Whitehaven Beach on Whitsunday Island is renowned for its squeaky-soft white silica sand and crystalline waters, while in Port Douglas you can ride a bike along Four Mile Beach at low tide – a great way to explore the area.

BEST FOR KIDS: For a fantastic day out, and just a short drive from Brisbane, check out the Australia Zoo. Pat a koala, feed a kangaroo, see saltwater crocodiles in clear water ponds and lots more.

ISLAND EXPLORATION

You are never far away from an island in Queensland, from the exclusive luxury of Lizard Island in the Great Barrier Reef, to the family-friendly hub of Hamilton Island in the Whitsundays. Feed wild dolphins at Tangalooma Resort on Moreton Island; explore the dunes by four-wheel drive on Fraser Island or spot wild koalas on a nature walk on Magnetic Island.

LUXURY STAY: Escape to the One&Only on Hayman Island in the Whitsundays for an unforgettable luxurious island retreat.

LET US HELP YOU CHOOSE: We have over 10,000 staff on the ground in Australia and all of our UK travel experts are Aussie Specialists. Explain what you are looking for over the phone or at one of our stores and let us find the ideal island break for you, that not only suits your budget but also fits perfectly with the rest of your itinerary.

Whether you are a snorkeling novice, an experienced scuba diver or even someone who prefers to keep their feet dry, our experts can find the right reef experience for you and help you make the most of your once in a lifetime visit to see the remarkable wonders of the Great Barrier Reef.

Swimming with sea turtles or spotting cautious clown fish, the huge array of marine life and fascinating coral that you could come across on the reef is staggering. Any experience on the reef is bound to be an eye-opening and memorable experience, but for the ultimate underwater visibility we suggest visiting the outer reef. Why we LOVE this HOTEL

It's always been a dream of mine to stay in a tree house in the rainforest, and staying here exceeded everything I could have imaged because it's also right on the beach. Tucked into the tropical forest, each of the bungalows or suites have a certain individuality, but for the best views I like the Coral Sea Bungalow. It's like being in the best tree house ever, especially with the blissful view of the ocean. You can sit out on your own private balcony admiring the view as the sounds of the sea and rainforest ease away your worries.

For those looking for a bit of adventure, this hotel hosts excellent guided nature walks around the reserve for free. The staff are so enthusiastic and knowledgeable that they really open your eyes to the natural paradise that you are staying in. Photographers will be in their element here, too, as the guides are really helpful at pointing out great opportunities for snapping wildlife. Not that it's hard to find great wildlife here, the bird life alone is amazing. I could spend hours watching the resident osprey family catching fish.

Great Barrier Reef Islands

Find PARADISE on your *perfect ISLAND...*

The islands of the Great Barrier Reef embody the very idea of paradise – breathtaking beaches bordered by lush forest, leading to sparkling oceans teeming with colourful marine life. Their small size and secluded locations mean they truly feel a world away from every day. Opt for an island stay or take a live-aboard cruise to experience several islands in one trip.

Our favourite islands are Lizard Island – a beach strewn paradise, Orpheus Island – a national park surrounded by reef, and Heron Island – a haven for nature lovers, home to nesting sea turtles, and a wealth of birdlife.

“Melbourne’s multicultural make-up means you are sure to eat well while in the city, no matter what your budget. There are heaps of delicious cuisines to sample, from Mediterranean and Middle Eastern, to Mexican, all kinds of Asian, classic American and, of course, Australian. My favourite spot is Mamak on Lonsdale Street, which serves delicious Malaysian hawker-style street food. Make sure to try one of the many varieties of roti!”

NORTHERN TERRITORY

Bursting with wildlife & **RUGGED BEAUTY...**

Occupying the central heart of Australia is the Northern Territory, Australia's least-inhabited region and an immense landscape of unspoiled national parks, ancient cultures and breathtaking natural spectacles. Split into two roughly defined areas known as the 'Top End' and the 'Red Centre', the Northern Territory delivers Australia at its most untouched.

Multicultural Darwin is a melting pot of nations, while ancient Arnhem Land is home to the world's oldest living culture. If you are short on time, Litchfield National Park is just 90 minutes from Darwin, while those who have longer can venture deeper into the isolated regions of Katherine Gorge and Kakadu National Park. The renowned Red Centre is home to the iconic sites of Uluru, Kata Tjuta and Kings Canyon.

“For an unforgettable experience of the true Australia I recommend travelling by rail on The Ghan through the very heart of the country. Relax and let the majestic scenery roll by, and enjoy spotting the odd kangaroo hopping past the train as the sun sets. It's like nothing I've ever seen before.”

Angela Sweeney
Australia Product Manager
Brisbane Head Office

Kakadu National Park

DON'T MISS...

ABORIGINAL CULTURE

The ancient cultures of Australia have been around for over 50,000 years, and the Northern Territory is definitely the best place to experience the country's fascinating heritage. From the Indigenous communities in Arnhem Land, to the captivating rock-art in Kakadu National Park and the art galleries of bustling Darwin, you'll leave with a profound appreciation for these ancient cultures.

TOP TIP: Many ancient Aboriginal sites are sacred to the native people, so be sure to observe signage and notices that advise as to the region's significance.

SPECTACULAR SCENERY

Northern Territory is home to some incredibly diverse and dramatic landscapes. Grab your camera and get that perfect shot of Uluru at sunrise, capture a plunging waterfall at Katherine Gorge or shoot the view from the top of Kings Canyon.

ULURU ETIQUETTE: Although there is a trail to the top of Uluru, the native Anangu people ask visitors to refrain from climbing the sacred rock – visit the Cultural Centre to find out more about the native people and their beliefs.

TAKE A WALK

The best way to appreciate the immense landscapes and breathtaking scenery of the Northern Territory is to walk it. Join guided treks to the top of Kings Canyon, take a sunrise six-and-a-half-mile walk around the base of Uluru or follow the epic five-day guided walk along the Jatbula Trail from Katherine Gorge to Edith Falls.

OUR RECOMMENDATION: If you are heading to the Red Centre, make sure you leave enough time to visit Kings Canyon. It's a steep trek to the top, but the views are well worth it.

WESTERN AUSTRALIA

A VAST & varied state of ADVENTURE...

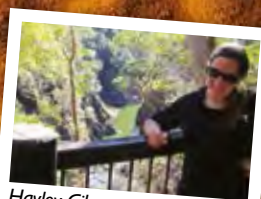

The immense state of Western Australia spans across a third of the country. With its friendly coastal capital of Perth and the incredible vastness of the wild Kimberley region, Western Australia can deliver the ideal holiday to all types of visitor. The state's huge size means it is almost impossible to describe in a few words, so check out the individual region pages for more information about each area.

Lovers of wine, wildlife and stunning scenery should head to the tranquil Margaret River region, while those looking to experience some of Australia's exotic marine life should venture north along the Coral Coast to swim with whale sharks and play with wild dolphins.

“

Taking a four-wheel drive trip along the Gibb River Road in the Kimberley was an experience I'll never forget. We went bushwalking and saw freshwater crocs in Windjana Gorge National Park, swam in a beautiful waterhole in Galvan's Gorge and at the end treated ourselves to a well-deserved night of luxury in The Homestead at El Questro Wilderness Park (page 147) – one of the greatest adventures of my life.

FESTIVAL FEVER

Western Australia almost has a festival for every day of the week. Whether it's the engine-revving adrenalin of the V8 Supercars Perth 400 in May or the breathtaking displays of supreme surfing at the Margaret River Pro in April, make sure to check the calendar when you plan to visit to join in the festival fun.

TOP EVENT: Join the celebration of culture, cuisine and the natural surroundings in Kununurra at the Argyle Diamonds Ord Valley Muster in May.

WESTERN AUSTRALIA WILDLIFE

With so many vast open spaces and landscapes untouched by human hands, the wildlife of Western Australia is thriving. Get your adrenalin pumping with a trip to spot freshwater crocodiles in the Kimberley, or delight the family with a wild dolphin interaction in Monkey Mia near Shark Bay.

REGIONAL DEPARTURES FROM THE UK

Flying from a regional airport can often save time, money and be more convenient if you live outside of larger cities, such as London and Manchester. Regional airports are served by a number of international airlines, many of which avoid connecting through London altogether. These offer a fantastic choice for travellers living in regional areas of the UK. Below we have highlighted the different airline carriers that fly from UK airports to Australia's major cities.

ROUTE OPTIONS to AUSTRALIA

There are many different flights and routes to get you to Australia, and at Flight Centre we can help you decide the best option for your trip.

Whether you want to get there in the quickest time or see the world on your way round, we understand that everyone is different and are on hand to give you expert advice.

SHOULD I INCLUDE A STOPOVER?

Many airlines that fly to Australia now include a free stopover. This is a great way to maximise your time out of the office and tick another city off your bucket list.

When else will you get treated to a free holiday in Asia or the Middle East? Singapore Airlines, Korean Air, Etihad and China Southern offer the best value for money with their programmes, in our opinion. Speak to your Flight Centre travel expert for more information.

ADVANTAGES OF STOPPING IN THE MIDDLE EAST:

In the Middle East you'll find numerous attractions, with something for all ages, warm weather year-round and a range of accommodation options suited to every budget. Middle Eastern cities offer plenty to explore in a day or two – enjoy a sand dune safari in the desert, tour the city's markets and souks or just laze on the beach in the sun. Add a touch of the Middle East before or after visiting Australia!

ADVANTAGES OF STOPPING IN ASIA:

Stopping over in Asia allows you to experience a completely different culture without the additional costs! Whether it's shopping in Hong Kong, taking the kids to Universal Studios® in Singapore or singing karaoke until the sun comes up in Korea, a stopover in Asia is definitely something you should be considering.

Terms and Conditions

Your contract is with Flight Centre (UK), Company number 02937210, registered in England and Wales. Registered address Level 6, Cl Tower, St George's Square, High Street, New Malden, Surrey, KT3 4TE.

1. Your Agreement with Flight Centre (UK) Limited

By confirming your travel details with us, you are accepting that the terms of this agreement apply to your travel arrangements. This also applies to the conditions of any contract made with any supplier. This agreement is made on the terms of these booking conditions, which are governed by English Law and the jurisdiction of the English Courts. You may, however, choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Your Rights under this agreement are set out below. A contract will exist as soon as we issue our confirmation invoice.

2. Third-party Rights

A person who is not a party to these terms and conditions shall have no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these booking terms and conditions. This paragraph does not affect any right or remedy of any person which exists or is available otherwise than pursuant to that Act.

3. Supplier Terms and Conditions/Airline Conditions of Carriage

The supplier's Terms and Conditions and the airline's Conditions of Carriage will apply to your booking and we advise you to read these carefully, as they do contain important information about your booking. Please ask us for copies of these if you do not have them.

4. Packages

A package is a booking which comprises a combination of transport (air, rail or coach) with accommodation/car hire/tours, where all components are booked at the same time at an inclusive price. Any booking that does not include transport, or has only one element, is not a package.

5. Your Travel Arrangement's Price and Payment

Prices advertised are inclusive of tax unless otherwise stated. Prices are correct at time of publication and are subject to change without notice. Prices are per person unless otherwise stated, and are subject to availability. Seasonal surcharges may apply depending on the date of travel.

We reserve the right to alter the prices of any of the travel arrangements advertised. You will be advised of the current price before your contract is confirmed. Prices are not guaranteed until full payment is made.

To confirm your travel arrangements you will be required to pay a deposit per person in addition to any applicable supplements advised at time of booking. Some airfares are booked at especially competitive rates to which the airlines may attach severe restrictions. You may be asked to pay for these in full at the time of booking and they may be non-refundable in the event of a cancellation. Details will be given at the time of booking. Please note all deposits are non-refundable and non-transferable.

Changes in transportation costs, including the cost of fuel, taxes or fees chargeable for services, such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates, mean that the price of your travel arrangements may change after you have booked. You will be advised immediately.

Flight Centre (UK) Limited will collect all mandatory taxes; however, some countries may charge a departure tax that must be paid locally. We advise our clients to retain sufficient local currency to meet these charges.

Please note that for all bookings, a service fee from £16 will apply.

6. Payments

For payments by bank transfer or cheque, please ensure you check the exact amount with your travel consultant.

a) Personal (and Company) Cheques

Flight Centre (UK) Limited does accept personal and company cheques and these should be made payable to Flight Centre (UK) Limited. We require 10 working days for cheque clearance before tickets can be issued and hotels booked. Please confirm with your travel consultant that there is sufficient time between cheque payment and any ticketing deadline. Foreign currency cheques are not acceptable.

b) Bank and Building Society Drafts

Once the relevant bank or building society can verify the cheque, these are treated as cash.

c) Cash

Please do not post us cash.

d) Cards

- i) Maestro, Switch or Visa Delta debit cards are accepted.
- ii) We also accept Visa, MasterCard and American Express, but a merchant fee of between 2% and 3% applies.

e) Direct Credit/Bank Transfer

Please contact your bank for details, using our bank details as provided by your consultant. Please notify the consultant you have booked through once payment has been made.

7. Flights and Flight Travel Documents

Your ticket and travel documents are your document of travel and the information on the ticket/voucher/invoice is deemed correct. It is your responsibility to check your air tickets and other documents immediately upon receipt. If any details are incorrect you must advise us immediately.

Please note that a flight described in your flight ticket as 'direct' will not necessarily be non-stop.

All departure/arrival times on your flight ticket are provided by the airlines concerned and are estimates only. They may change due to air traffic control restrictions, weather conditions, operational/maintenance requirements and the requirement for passengers to check-in on time.

We are unable to make any special arrangements for you if you are delayed; these matters are at the sole discretion of the airline concerned.

8. If You Change Your Booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the lead-named passenger. You will be asked to pay an administration charge and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

Note: Certain travel arrangements (e.g. Advance Purchase Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

When changing airline and train tickets we may have to rebook you to current fares. This may result in an increase in the cost of your ticket and taxes that we will have to pass on to you. These charges will be in addition to any date-change penalties you were advised of at the time of booking.

Please note: Name changes are not permitted in any instance.

Flights must be taken in the order that they are booked. If you do not check-in on a confirmed flight, the airline will register you as a 'no show' and the remainder of your ticket will be cancelled.

9. If You Cancel Your Booking

You may cancel your travel arrangements at any time. Written notification from the lead passenger and the original tickets/vouchers must be received at the branch where the booking was made. Since we incur costs in cancelling your travel arrangements, you will have to pay the applicable cancellation charges, which could be up to 100%. Any refund due to you will only be paid once we have received the refund from the supplier. Please note this may take up to four months. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges from your insurer.

10. If We Change or Cancel Your Holiday

Occasionally, we or our supplier may have to change changes to your original booking and we/they reserve the right to do so at any time. If you have not booked a package, we cannot accept any liability or costs incurred that may result from these changes. Most of these changes will be minor and we will advise you of them at the earliest possible date.

In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate.

Please note that carriers, such as airlines, may be subject to change. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard or higher. No compensation will be paid for these.

We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it. This also includes for reasons of force majeure, pandemic or epidemic illness or failure by you to pay the final balance.

If you have booked a package and we are unable to provide the booked travel arrangements, you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). If it is necessary to cancel your travel arrangements, we will pay to you compensation.

Compensation Table

55-29 Days	£10.00
28-15 Days	£20.00
14-8 Days	£30.00
7-0 Days	£40.00

Force Majeure: This means that we will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster (such as volcanic ash), fire, adverse weather conditions and unavoidable technical problems with transport.

11. Tours and Excursions

Some tours and excursions operate with a minimum of two or more participants. In the unlikely event that the tour has to be cancelled, you will be informed immediately and your monies refunded.

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book locally, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

Local conditions can and do change, sometimes at short notice, and it is possible that the programme or running of any excursion or tour may be changed at short notice and sometimes without prior notification.

12. Airline Ticket Refunds

Where a ticket is refundable, the tickets will be forwarded to the relevant airline for their consideration. Once we have received any refund, we will forward it on to you, less any cancellation and administration charges. Refunds for partly used tickets are always less than pro-rata and may have no refund value whatsoever. Refunds usually take 12 weeks to process; however, this may take longer. Tickets returned more than one year from date of issue are classed as expired by the airline and generally have no refund value at all.

13. Flight Reconfirmations and Schedule Changes

We are not liable if there is any change to a departure/arrival time previously given to you or shown on your ticket. Please confirm all flights with the relevant airlines and check there have been no time changes to your original itinerary. While we will endeavour to inform you of any changes brought to our attention prior to departure, we will be unable to do so after departure. Failure to reconfirm any sector of your itinerary may result in you needing to purchase a new flight.

14. Ticketing

The maximum validity for any ticket is one year. However, the majority of tickets are valid for less. For scheduled airlines, the validity of your ticket will be displayed on your itinerary.

15. Seating and Special Requests

If you have any seating or special requests, we will pass these on to the relevant airline or supplier. Flight Centre cannot guarantee any requests, as these are entirely at the airline's or supplier's discretion.

16. Baggage Allowance:

If you are unsure of your baggage allowance please contact the relevant airline or your consultant.

17. Health Requirements:

Health facilities, hygiene and disease risks vary worldwide. You should obtain health advice on your specific needs as early as possible. It is your responsibility to ensure you have fully complied with all health and immunization requirements of the country you are visiting. Please contact your GP.

18. Passports and Visas:

It is your responsibility to ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. All travellers must have a valid passport for international travel. Many destinations require that the traveller's passport has at least six months' validity from the date of return. For travel to/via the USA a machine-readable passport is required. If you need information regarding visa and other travel document requirements for your trip please let us know. We can obtain such information from an external visa advisory service provider on your behalf. We do not warrant the accuracy of such information and accept no liability for any loss or damage, which you may suffer in reliance on it. If you wish, we can obtain visas for you through this external service and fees will apply. Please allow adequate time to obtain any such advice or documents. If you are travelling to the United States please see <https://esta.cbp.dhs.gov> for information regarding compulsory pre-registration for their visa waiver programme. Please note, you may not meet the requirements of ESTA and may be required to obtain a visa.

19. Airline Passenger Information

Some countries and airlines are required by law to supply certain information to immigration authorities and failure to provide this information could result in the passenger being denied boarding. If you do not have this information to hand at the time of booking, please ensure you contact your consultant at the earliest opportunity. The information required is: Your passport details and country of residence and, for the USA only, the address of your first night's stay.

20. Insurance

For all travel, Flight Centre (UK) Limited would recommend that you purchase travel insurance. It is your responsibility to ensure you have valid travel insurance that covers your needs.

21. Travel Advice

The Foreign and Commonwealth Travel Advice Unit may have issued information about your holiday destination. We strongly advise you go to www.fco.gov.uk to find out more about your destination/s prior to the commencement of travel. Alternatively, you can contact ABTA Information Department on 0203 117 0599 (calls will be charged).

22. If You Have a Complaint

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and your Flight Centre (UK) Limited travel consultant immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at Level 9, Cl Tower, St George's Square, High Street, New Malden, Surrey, KT3 4TE giving your booking reference and all other relevant information. It is strongly recommended that you communicate any complaint to the supplier of the services in question, as well as your Flight Centre (UK) Limited travel consultant without delay and complete a report form whilst in resort. If you fail to follow this procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Out of normal office hours, you may also contact our emergency assistance department on 0203 056 7993.

23. Our Liability to You

If the contract we have with you is not performed or is improperly performed by us, we will make good the arrangements or pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However, we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two-times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) the contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract

b) any relevant international conventions, for example the Montréal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. You can ask for copies of the international conventions, or the transport companies' contractual terms, from our head office at Level 6, Cl Tower, High St, New Malden, UK, KT3 4TE.

24. Personal Injury Unconnected With Your Booked Travel Arrangements

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your package travel arrangements or an excursion arranged through us, we shall, at our discretion, offer advice, guidance and assistance.

25. Scheduled Airline Failure Administration Fee

If you are holding a ticket(s) on an airline which fails due to insolvency and has ceased flying, the money you have paid for your ticket(s) may be lost.

As part of the requirements under our Air Travel Organiser's License issued by the Civil Aviation Authority to protect our customers, Flight Centre (UK) Limited undertakes to ensure that, should this

happen, our customers receive compensation for their loss to the extent referred to below.

This means that Flight Centre (UK) Limited undertakes that, in the event of a scheduled airline failure arising solely upon a scheduled airline entering into an 'insolvent winding-up' (as defined by Rule 4.151 of the Insolvency Rules 1986 (as amended)) or equivalent insolvency process in any other jurisdiction other than England and Wales and ceasing to fly prior to commencement of a passenger's trip, all monies paid by the passenger either as a deposit, or as the case may be, as the price for the scheduled airline ticket(s) will be refunded to the passenger in full.

In the unlikely event of an airline failing after the commencement of your trip, please contact the store through which you booked so that the appropriate alternative arrangements can be made. You will be given the option of an alternative airline for the affected sectors. Flight Centre (UK) Limited will endeavour to keep these arrangements as close to your original itinerary as possible.

For administering both the repatriation of passengers and refunds (as explained above), Flight Centre (UK) Limited charges each customer a nominal administration fee. This fee forms part of the cost of each airline ticket purchased from Flight Centre (UK) Limited and is not optional.

26. Your Peace of Mind

We are a Member of ABTA, membership number W325X (if you have booked a package). We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with, this contract. The arbitration scheme is arranged by ABTA and administered independently. It provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply to claims for an amount greater than £5000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can, however, deal with compensation claims which include an element of minor injury or illness subject to a limit of £1500 on the amount the arbitrator can award per person in respect of this element. Your request for arbitration must be received by ABTA within 18 months of the date of return from holiday. Outside this time limit arbitration under the Scheme may still be available if we agree, but the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA Mediation Procedure and we have the option to agree to mediation.

Your Financial Protection

Flight Centre (UK) Limited hold an ATOL (Air Travel Organiser's Licence), under number 4267. This is issued by the Civil Aviation Authority. Many of the flights and flight-inclusive holidays we sell are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. For more information about financial protection and the ATOL Certificate go to <http://www.atol.org.uk/ATOLCertificate>. When you buy an ATOL-protected flight or flight-inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. If your booking is ATOL protected, we, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder; in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We are a Member of ABTA which means you have the benefit of ABTA's assistance and Code of Conduct. We provide financial protection for your money when you buy a package holiday. If you buy other travel arrangements, such as accommodation only, this protection doesn't apply.

27. Privacy Policy

We are committed to protecting the privacy and confidentiality of your personal information. Please go to <http://www.flightcentre.co.uk/policies> to view our Privacy Policy.

We have measures in place to protect the personal booking information held by us and passed to the relevant suppliers of your travel arrangements. These may include public authorities, such as customs and immigration, along with security or credit card services. If you travel outside the European Economic Area (EEA), controls on data protection may not be as strong as those within the EEA. Unless required to do so by law, we will only pass on your information to persons responsible for your travel arrangements, which may include sensitive information, such as details of disabilities, dietary or religious requirements. When making a booking you are consenting to relevant information being passed on as above.

28. Telephone Calls

29. Brochure Accuracy

All photographs used are for the purposes of illustration only and should not be taken to be literal representations of actual facilities, accommodation or services offered, unless otherwise advised.

30. Use of Material in Brochures or on Our Website

All copyright and other intellectual property rights in any material, including text, photographs or other images contained in a brochure or displayed on our website, are either owned by us or have been licensed by the owner for our use.
