MAKING HOLIDAYS EASY

Discover Your Caribbean

Hundreds of islands, infinite destinations. The Caribbean is lush green hills rising above golden-sand beaches, rich colonial history and exotic everyday life, romantic seclusion and unlimited fun in the sun.

So many of us love nothing more than to relax or play on a beautiful, sun-drenched, palm-lined beach, it's no wonder we often refer to the Caribbean as paradise. Of course, the Caribbean islands offer so much more than warm, white sands – there's the towering mountains and verdant rainforest, the Victorian buildings and colourful flora and fauna, the primeval waterfalls and colonial plantations, the challenging golf courses and quiet volcanoes, the myriad water sports and native cuisines and, best of all, the friendly islanders who open their hearts and homes to us.

The hundreds of islands that make up the Caribbean offer an abundance of riches, and thus you are faced only with the need to make choices; where to go for the best fishing, the best golf courses, the best dining, the best beaches, the best family getaways or the best romantic hideaways. But even then, if you can't make up your mind, it's easy enough to hop from island to island!

Welcome to Antigua

Antigua Bay, View from Shirely Heights

The beach is just the beginning ... explore this fascinating, historical island.

With a beach for every day of the year, sun-drenched Antigua is a beach lover's dream.

Beyond the powdery white sands and swaying palm trees lies an intriguing destination with a rich history. There's a distinct English charm to this delightful Caribbean island with its winding roads and neat villages. Explore the historic district of English Harbour, shop for exquisite souvenirs

in St Johns or party the night away in lively Shirley Heights.

With a wall of protected, almost unbroken reef, explore the colourful sea life at one of the many dive or snorkelling sites, or take a cruise in a luxurious yacht. Find time to simply lay back on a deserted beach, admire the views and enjoy the year-round tropical climate. Whether adventure or relaxation, you're sure to find it in Antigua.

Top Experiences

Swim with the Stingrays

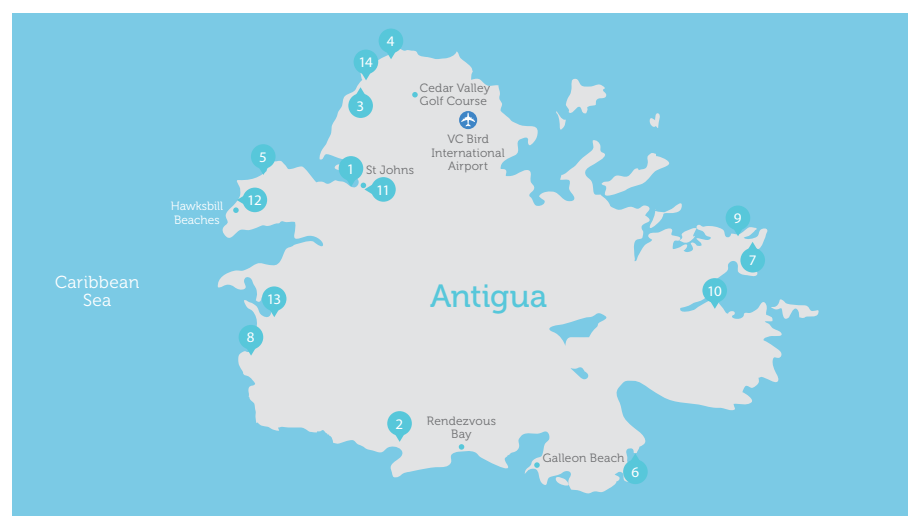

A short boat ride will take you to Stingray City, home of the southern stingrays. Experience these amazing animals in their natural environment and snorkel alongside colourful fish life. The clear, shallow waters make this easy and fun for everyone, while skilled stingray handlers ensure you are at no risk.

Rainforest Canopy

A natural high on zip-lines will have you traversing the glorious gorge at Fig Tree Drive. Adventurers will then dare to conquer the zip-line challenge course or take the 'Stairway to Heaven' that leads to the Canopy Café with views of the rushing zip-liners.

Tobago is one of the last unspoiled Caribbean islands filled with lush rainforests, palm-fringed beaches and pristine coral reefs. Largely undeveloped, discover laid-back villages and uncrowded beaches, and in the centre of it all, the oldest rainforest in the Western Hemisphere. Sailing and sport

fishing are the choice diversions offshore, while scuba divers prize diving over the offshore reef. Scarborough, the island's little capital city, is worth a visit for its lively produce market and Georgian architecture. A premier eco-destination, Tobago offers the perfect island escape.

MAKING HOLIDAYS EASY

Terms & Conditions

Your contract is with Infinity Holidays Limited, a member of ABTA with membership number L5611 and ATOL holder number 4267.

1. Your Commitment to Us

By confirming your travel details with us, you are accepting that the terms of this Agreement apply to your travel arrangements. This also applies to the conditions of any contract made with any supplier. This agreement is made on the terms of these booking conditions, which are governed by English Law and the jurisdiction of the English Courts. You may, however, choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Your Rights under this agreement are set out below.

2. Our commitment to You

Your contract is with Infinity Holidays. We will arrange to provide you with the various services which form part of the holiday you book with us. Before your booking is confirmed and a contract comes into existence we reserve the right to increase or decrease brochure prices or to change any of the information contained in this brochure. Changes will be made known to you before you book. The prices we advertise are based on specially negotiated airfares to be booked in a specific airline booking class. At the time of booking, if there is a lack of availability in the specified class on any particular flight, we will endeavour to secure seats for you in an alternative economy class and you will be told the amount of the applicable flight supplement/higher deposit before you book. A booking is not accepted until we issue an invoice. The date shown on the invoice, which will be sent to you or your Travel Agent, is the date of booking. It is important to check all details at time of booking and in the event of discrepancy please contact your travel agent immediately, as it may not be possible to make changes at a later date. The Package Travel, Package Holidays and Package Tours Regulations 1992 require us to provide security for the monies that you pay for the package holidays booked from this brochure and for your repatriation in the event of our insolvency. We provide this security with the Civil Aviation Authority under ATOL number 4267 and a bond held by ABTA for packages that do not include flights. If you book arrangements other than a package holiday from this brochure (e.g. accommodation only), the financial protection referred to above does not apply.

3. Your Holiday Price

The pricing and all information in this brochure was correct at the time of printing; however, Infinity Holidays reserves the right to raise or lower its prices at any time. We also reserve the right to correct any errors in this brochure at any time. Before you make a booking we will give you the current price of your holiday including any peak season supplements, upgrades or additional services you have requested.

If a deposit is required, your travel consultant will advise when final payment is due. If the deposit and/or balance are not paid in time, we shall cancel your travel arrangements.

Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes, embarkation or disembarkation fees at ports and airports and exchange rates mean the price of your holiday may change after it has been booked.

4. Paying for Your Holiday

After your booking is taken and a deposit received, a balance invoice will be sent to you detailing the total cost due. Full payment is due a minimum of 42 days before departure. If you do not pay in full 42 days before departure, we reserve the right to cancel your booking and forfeit your deposit by way of cancellation charges. If you make a holiday booking within 42 days of your departure date then you must pay the full cost of the holiday at the booking stage. Any money paid by you to a travel agent is held by the agent on our behalf.

5. Insurance

It is important that you have insurance cover and that it is adequate for your needs. When you arrange a policy, please check carefully to ensure that it provides an adequate level of cover. For those who participate in sports and activities whilst on holiday that have been organised and arranged independently of us, it should be understood that participation is at the individual's own risk and it is your responsibility to obtain the relevant insurance.

6. Travel Information & Documents

You should receive with your invoice a copy of our destination information covering the area/s you are visiting and general information. We strongly recommend that you read these. Approximately 14 days before departure you will receive your flight/e-ticket together with an itinerary. Please ensure that you check the flight timings on your tickets carefully. The correct timings, using the 24-hour clock system, may have been adjusted since we published the brochure and since you received your invoice.

7. If You Change or Cancel Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If it is possible to make the change, it could be subject to an administration charge per booking, and payment of any further costs incurred as a result of the change. If you change your booking to a holiday of lower value, and then cancel that holiday, we reserve the right to levy cancellation charges on the value of the original booking. Scheduled airlines normally regard name changes as a cancellation and rebooking, and any alteration may incur a 100% cancellation charge in respect of the air fare.

If you or anyone on your holiday booking decides to cancel the holiday you must notify us of the decision as soon as possible. Any notification by telephone must also be confirmed in writing or by e-mail within 24 hours by the person who made the original booking. Cancellation will take effect from the day we are notified provided that written confirmation is received by us within 24 hours of the original notification. Should you already be in receipt of your airline tickets please also return these to us along with your cancellation request.

The following scale of charges will be payable depending on when the notification of cancellation is received.

Compensation Table	
Prior to 61 days	Deposit forfeited
60-42	30% of total holiday cost
41-28	60% of total holiday cost
27-7	90% of total holiday cost
Less than 7 days	100% of total holiday cost

We would strongly recommend that you take out full insurance, which will in most cases include cover, under certain circumstances, against loss of deposit or cancellation fees. If you have taken advantage of an airline offer as detailed on the relevant page and paid a higher non-refundable deposit, the cancellation charge payable by you will be the higher of this deposit or the appropriate cancellation charge detailed above.

8. If We Change or Cancel Your Holiday

Occasionally, we or our supplier may have to make changes to your original booking and we/they reserve the right to do so at any time. Where we are acting as an Agent, we cannot accept any liability or costs incurred that may result from these changes. Most of these changes will be minor and we will advise you of them at the earliest possible date.

In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate.

Please note that carriers, such as Airlines, may be subject to change. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard or higher. No compensation will be paid for these.

We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it. This also includes for reasons of force majeure, pandemic or epidemic illness or failure by you to pay the final balance.

Where we are principal, if we are unable to provide the booked travel arrangements, you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). If it is necessary to cancel your travel arrangements, we will pay to you compensation.

Compensation Table	
Period before departure when a major change is notified	Compensation per person
55–29 days	£10
28–15 days	£20
14–8 days	£30
7–0 days	£40

Force Majeure: This means that we will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions and unavoidable technical problems with transport.

9. Brochure Accuracy

We check the information given in our brochure about accommodation, resorts, etc., to ensure it is correct at the time of going to sale but in view of the fact that brochures are prepared in advance, advertised facilities may be changed. Therefore changes may be made to the particulars in this brochure at any time before the contract with you is made. In these circumstances we will endeavour to notify you of changes before you book. However, please bear in mind that hoteliers, restaurateurs, night club owners etc., may wish to maintain or improve their facilities, or even take a break themselves. Flight times, carriers and routes in the brochure are given for guidance only, as there may be changes. Final details will be shown on your tickets. Tour, excursion, cruise or safari itineraries may change as a result of local conditions. Circumstances such as these, or weather conditions, time of year etc., may cause some of the amenities we have described to be unavailable or different from those advertised in our brochure. When we are told of any significant or long term changes we will always endeavour to advise you prior to your departure.

10. Flight changes

Airlines occasionally may change the type of aircraft used on a particular flight without advance warning. Scheduled and charter flight timings, and days of operation are subject to change. We will advise you of any significant change as soon as we ourselves are informed by the airline. Minor timing changes will be shown on the flight tickets, which you should check carefully when received. Should the changes involve a reduction of your duration, we will offer you a refund of any applicable costs.

11. Changes Due to Circumstances Beyond Our Control

We will not be liable to pay any compensation if we are forced to cancel or in any way change your holiday as a result of unusual or unforeseeable situations outside our control, the consequences of which could not have been avoided even with all due care. These include unavoidable technical problems with transport, changes imposed by rescheduling or cancellation of flights by an airline or main charterer, the alteration of the airline or aircraft type, war or threat of war, civil strife, industrial disputes, natural disaster, bad weather, epidemic or terrorist activity.

12. If You Have A Complaint While You are on Holiday

If you have cause for complaint whilst on holiday, you must bring it to the attention of the hotel and/or service immediately. They will do their best to rectify the situation. It is unreasonable to take no action whilst on holiday, but then to write a letter of complaint upon return. If you do not raise concerns immediately, this may affect our ability to investigate and take remedial action and it may impact on the way your complaint is dealt with.

13. Curtailment

If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided, we will not offer you any refund for the remainder of your holiday not completed, or assist with any associated costs you may incur. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

14. If You Had A Problem

If a problem remains unresolved during your holiday, you should make a complaint in writing to Customer Excellence, Level 2, CI Tower, High Street, New Malden, Surrey, KT3 4TE within 28 days of the completion of the holiday. Please remember to quote your holiday booking number and daytime telephone number. We will reply to you within 28 days of receipt of your letter, as laid down by the ABTA Tour Operator's Code of Conduct.

15. Dealing With Complaints

We are a member of ABTA, membership number L5611. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We certainly hope that we can settle any holiday complaints amicably; however, should this prove not to be the case you may refer any dispute relating to this contract to an Arbitrator appointed by the IDRS, part of the Chartered Institute of Arbitrators. The scheme provides for a simple and inexpensive method of arbitration on documents alone with restricted liability for you in respect of costs. The scheme does not apply to claims for an amount greater than £5000 per person or £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences, although claims which include an element of minor injury or illness can be considered subject to a limit of £1000 on the amount the arbitrator can award per person, in respect of this element. The application for arbitration and Statement of Claim must be received by the IDRS within nine months of the date of return from the holiday. Outside this time limit arbitration under the Scheme may still be available if the company agrees, but the ABTA Code does not require such agreement. For injury and illness claims, you may like to use the ABTA/Chartered Institute of Arbitrators Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. The aim is to help you resolve your dispute in a quick and cost-effective way. Details on request or from www.abta.com.

16. Personal Injury Unconnected With Your Booked Travel Arrangements

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your package travel arrangements or an excursion arranged through us, we shall, at our discretion, offer advice, guidance and assistance. Where legal action is contemplated and you want our assistance, you must obtain our written consent prior to commencement of proceedings. Our consent will be given subject to you undertaking to assign any costs or benefits received under any relevant insurance policy to ourselves.
