

## Flight Centre celebrates landing in Aberdeen

*New travel flagship store on Union Street is just the ticket for travellers*

Aberdeen travellers have a new destination to plan their future holidays with the opening of a new inspirational flagship store by Flight Centre UK.

The travel expert will unveil its Aberdeen store on **Thursday 10 July 2014**, making it their 8<sup>th</sup> Flight Centre store in Scotland, alongside their stores in Glasgow and Edinburgh. The new Aberdeen store is situated at 172 Union Street, with eye catching displays showcasing the range of holidays on offer. The store marks a new edition in the history of the Grade 2 listed building on Union Street.

To celebrate the opening of the new store, Flight Centre will be offering £100 off selected holiday bookings made by visitors to the store during the month of July.

Residents of Aberdeen are invited to peruse the latest range of flights and holidays deals, browse the handpicked selection of worldwide holidays; from city breaks in Paris or New York; classic journeys in Thailand, Australia and New Zealand; to four and five star tropical beach resorts. And the team of experienced travel experts are on hand to offer the best advice and the most competitive travel deals available, to save customers both time and money.

The new flagship store will be home to 60 employees, 30 of which will be new recruits, bringing exciting job opportunities to the area; Flight Centre is one of *The Sunday Times*' Best Companies to work for and recently was awarded one of this year's Best Workplaces in the UK.

Although this is the first Flight Centre store in Aberdeen, the company's specialist business travel division FCm Travel Solutions, which has been operating in the city for 10 years, is also moving into the same building. It has extensive expertise in the offshore, marine and energy sectors, providing corporate travel solutions for over 40 national and multinational companies in the region.

FCm is going from strength to strength and has recently been awarded the contract to manage travel for KCA Deutag, further strengthening its market position and expertise in the area.
