

OUR COVID-19 TESTING PARTNERS

Need to book a Covid-19 test, but don't know where to start? Our partners at CityDoc, Randox, Lloyds/MASTA, Diamondair and Qured offer a variety of services, with specially discounted rates for FCBT customers.

CityDoc

One of the largest at-home and in-clinic testing providers in the UK. They offer PCR tests and fit-to fly certificates.

[CT customers receive a discounted rate by visiting the link here](#)

Randox

A large provider of at-home, at-airport, and in-clinic testing with the benefit of owning their own diagnostic laboratory. FCBT customers can use the code "FCTG2021" for a £30 discount from a home PCR test.

[Book through their website here](#)

Lloyds / MASTA

Nationwide network of pharmacies and travel clinics who offer in-person PCR tests administered by a health professional.

[Visit the MASTA website here](#)

[Visit the Lloyds website here](#)

Customers can receive a 5% discount in store by presenting this bar-code:

Diamondair

Bespoke testing options that include "test & rest" packages at London Heathrow, rapid 6-hour tests and in-transit testing packages.

[Book through the Diamondair website here](#)

Customers can receive a 5% discount by using the code CT2021.

Qured

Rapid lateral flow tests with results in as little as 20 minutes for return to the UK, as well as standard home-swab tests and practitioner-administered home tests for extra peace of mind. Qured are also a government approved day 2 and 8 test-to-release provider.

[Visit the Qured website here](#)

Customers can get a 10% discount by using code FCTG2021.
