WHEN TO GO

THE SHEER SIZE OF THE USA MEANS THAT IT WILL ALWAYS BE SUNNY SOMEWHERE, WHICH MAKES IT A TOP CHOICE FOR HOLIDAY MAKERS. AS A ROUGH GUIDE WE RECOMMEND THE FOLLOWING:

East Coast: May and June are very pleasant months, and then beach season is June to September but arguably the best time to travel on the east coast is the Fall (Sept-Oct) due to the beautiful autumnal colours.

New York and Washington DC can be beautiful in winter, but snowstorms can cause travel issues, while Florida has no winter.

The Mid West: The best time to visit here would be either spring or in the fall, avoiding the sizzling summer temperatures.

West Coast: California's glorious climate is at its best between April and October being pleasantly warm. Rain usually starts during November but is not heavy, and winter months are cooler. Summer is also perfect to visit further up the coast, as the weather is moderate and mild.

FESTIVALS & EVENTS

The USA hosts some of the world's biggest and best events and listing them all would be impossible; however, we have selected some renowned festival dates that would add incredible experience to your holiday.

Mardi Gras in New Orleans

The day before Ash Wednesday. The streets of New Orleans become awash with revelry and abandonment for these legendary celebrations.

Choose your hotel for Mardi Gras on page 72.

St Patrick's Day

The 17th of March.

The patron saint of Ireland is honoured; huge celebrations occur in New York, Boston and Chicago. Wear green – if you don't, you could get pinched.

New Year's Eve in New York City

Stuck for a New Year party? Once you have experienced New Year's at Times Square, all other celebrations will pale in comparison.

Choose your hotel in New York City on page 28.

Independence Day

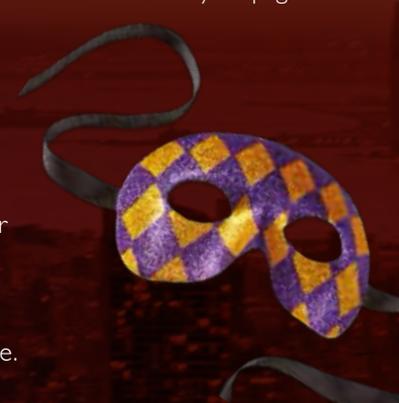

The 4th of July. The historic anniversary of the US becoming independent inspires parades and fireworks; Chicago pulls out all the stops with fireworks on the 3rd.

Thanksgiving

The fourth Thursday in November – One of the Country's biggest national holidays where family and friends gather for daylong feasts, traditionally involving roast turkey. New York City hosts a huge parade.

Book ahead:

All of these featured events are very popular so we strongly recommend booking well in advance to ensure hotel availability, and also the best value prices. Your Flight Centre travel expert will be able to help you choose the right hotel.

New York City

Why FLIGHT CENTRE LOVES USA

1 INCREDIBLE ICONIC CITIES

New York, Los Angeles, San Francisco, Chicago, Las Vegas... the list goes on. With instantly recognisable skylines and world-famous landmarks, these cities have already made an impression before you have even visited. We have carefully selected our favourite cities to include in this brochure and every one of them is iconic in its own right. It might be the Vegas glamour or the musical spirit of New Orleans or Miami's renowned night life, these cities will all create lasting memories.

2 ROAD TRIPS

The USA offers so much variety that to restrict your holiday to just one destination seems almost criminal. With ever changing scenery and awe-inspiring routes such as the rugged Pacific Highway or the Overseas Highway that leads the way to the Florida Keys, it's easy to fall in love with the journey just as much as the destination. Here at Flight Centre, we have expertly crafted 15 inspired itineraries and packaged together with flights, hotels, airport transfers and our unique Travel Butler service to make your USA road trip go off without a hitch (see page 14 for more information).

3 NATIONAL PARKS

The USA boasts over 50 sprawling national parks so it's important to know which ones to make time for in your trip. Our USA experts are able to give you the lowdown on their favourite national parks and help you create an itinerary that suits you. Whether you want lakes, mountains, canyons or dense forests bursting with wildlife, we can help you visit parks that will capture your heart as the sheer scale takes your breath away and make suggestions to really make it an experience to remember such as arranging for you to take in the awe of the Grand Canyon from the sky in a helicopter tour.

4 MIGHTY FINE CUISINE

The USA offers a menu that features every conceivable culinary treat and much more. Become accustomed to the ubiquitous roadside diner; head south for mouth-watering smoky barbecue, experience the Creole and Cajun cuisines of New Orleans or the renowned shell fish of Boston. Not sure where to start? The New York menu is as much a melting pot as the great city itself, so varied that you can find authentically prepared dishes from around the globe without ever leaving Manhattan; it's a foodie's paradise.

5 BEEN THERE...

Synonymous with film and music, no-one does entertainment quite like the USA. Discover first-hand the instantly recognisable landmarks and scenery that have been iconised by countless films, and next time you see it on the big screen you can say you've been there. The USA has also given birth to some of the world's most popular genres of music, so discover the roots of country, blues, jazz and rock 'n' roll in the cities that it all started.

6 BEACH LIFE

With warm waters lapping its shores, Florida provides the majority of Eastern USA's most famed beaches while the rugged shores of California cater for the west, but for truly exceptional beaches, Hawaii's sugar-white sands are second to none. From the secluded to the glamorous, the USA's beaches can be hugely varied so tell us what would suit your holiday and let our travel experts guide you to your perfect beach.

7 SHOP 'TIL YOU DROP

New York and Los Angeles may be two of the most cutting edge cities on the planet for fashion but the shopping opportunities in the USA do not stop there. Our travel experts know the top areas to visit for top-line fashion to outlet stores where famous American brands can be snapped up at bargain prices. From Florida's International Drive, the shopping hub of the state to the high-end luxury boutiques of LA's Rodeo Drive, be sure you bring spare suitcase.

Hawaii

Find **PARADISE** in the **PACIFIC...**

Uncover the USA's youngest state that sits in its remote location at the heart of the Pacific Ocean like carefully hidden treasure. Born out of volcanic activity, the tropical archipelago of Hawaii is made up of eight islands, each offering something different to discover and each buzzing with a volcanic-like energy. Renowned for its exceptional white sandy beaches and turquoise waters, Hawaii also boasts beautiful national parks with spectacular valleys and mountains that make for excellent hiking.

Escape to a secluded bay and relax in the Polynesian sun, or try a new activity and take to the waves in an outrigger canoe. Go for an adventurous trek to view the lava flow at Kalapana on the Big Island, or head to North Shore on Oahu and watch fearless surfers tackle some of the biggest waves in the world. Drape a lei around your neck and embrace Hawaiian culture as the lure of the hula draws you in or the world-class surf beckons.

ARRIVING AND GETTING AROUND HAWAII:

Get your holiday off to a stress-free start and pre-book your private hotel transfer from the airport. Taxis are the best way of getting around the islands, although many hotels offer shuttle services. Island-hopping is a popular choice for exploring as much of Hawaii as possible, and for this flying is recommended.

Ask your Flight Centre travel expert for more information about pre-booking your private transfer to meet you at the airport.

DON'T MISS...

PRISTINE BEACHES

Hawaii instantly evokes images of gorgeous sandy beaches lined with sleepy-looking palm trees and an aquamarine ocean. This isolated paradise is home to hundreds of beaches that offer something for everyone. Hit the iconic shores of Waikiki Beach, one of the most popular in the world, or try the black sands of Punalu'u, which is also a nesting area for green sea turtles.

BEST ISLAND FOR BEACHES: Maui.

OUR FAVOURITE BEACH: Lanikai, Oahu.

VOLCANIC PEAKS

Kilauea, one of the earth's most active volcanos, can be found on the Big Island. Take a day trip to the Hawaii Volcanoes National Park in the south of the Big Island and discover the natural destructive and creative powers of this ancient natural force. Trek through lava tubes, round crater rims and past steaming vents on a daunting yet inspiring discovery.

BEST FOR LAVA VIEWING: Kalapana, Big Island.

OUR FAVOURITE CRATER WALK: Diamond Head Crater, Oahu.

STUNNING LANDSCAPES

These volcanic Islands are covered in lush national parks that provide stunning hiking opportunities. Some of our favourites include: Waimea Canyon State Park, on Kauai (often referred to as the Grand Canyon of the Pacific); Maui's Iao Valley, boasting some easy-going hiking and swimming holes; and Haleakala National Park, on the Big Island, with its famed waterfall-fed Pools of Oheo.

BEST ISLAND FOR HIKING: Kauai.

OUR FAVOURITE NATIONAL PARK:

Haleakala, Maui – for ultimate sunrises, sunsets and stargazing.

POLYNESIAN CULTURE

While Hawaii is very much part of the USA, its geographic isolation and history means it proudly acknowledges its indigenous customs and culture. From the colourful flower leis and musical hula dancing, to elaborate celebratory luau parties and laid-back surf culture, the Hawaii way of life will overcome and enchant as well as offer a wealth of tradition to uncover.

BEST ISLAND FOR INDIGENOUS CULTURE: The Big Island.

OUR FAVOURITE CULTURAL TREAT:

Celebrate Hawaii culture at a luau – delicious food and traditional-style entertainment.

Fire Dancing

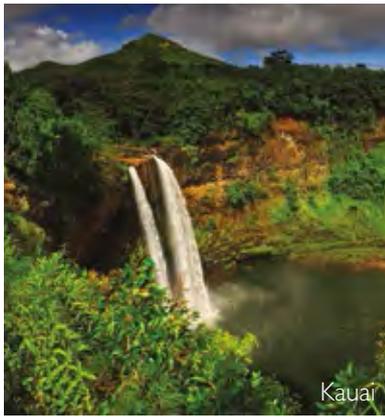

Hula Dancing

“There are hundreds of great spots for snorkelling in Hawaii, but for me, Makahu Beach Park during summer stands out. Crystal-clear waters makes it much easier spotting the sea turtles, dolphins and rays that live there.”

Kauai

KAUAI

Known as the Garden Island and also dubbed Hawaii's Island of Discovery, Kauai offers the chance to escape the resort and explore a diverse and beautiful landscape. Marvel at the views from Waimea Canyon, take a gentle kayak out to a cascading waterfall amidst lush green forests, or do some underwater sightseeing, as this island boasts rich marine life.

Oahu

MAUI

Maui does waves like nowhere else. The top surfers on the planet head to Maui for the giant winter swells, while the learners stick to the milder waves. Surrounding waters are full of turtles and dolphins, which makes for incredible snorkelling, and humpback whale watching here is remarkable. Inland is just as impressive, with dormant volcanos, dense jungle and even Hawaii's longest zip-line.

Maui

OAHU

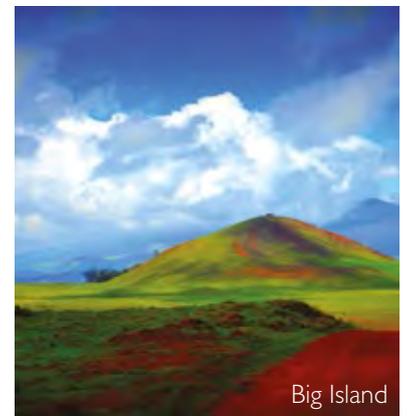

From the moment you touch down in Honolulu you will recognise that Oahu is the heart of Hawaii. Exciting cuisines and a combination of designer and local fashion outlets mean you can indulge yourself between your beach time. Oahu's famed North Shore is Hawaii's big-wave surf mecca and well worth a trip, while Hanauma Bay houses a huge variety of species of marine life, making it one of Hawaii's top snorkelling spots.

Big Island

BIG ISLAND

Hawaii Island, or the Big Island as it's locally known, is home to Kilauea, one of the most active volcanos on earth. The imposing volcanic terrain presents ideal conditions for hikers, offering jaw-dropping vistas from the summits. Half of this huge Island is covered by Maunakea – the world's tallest sea mountain, which promises once-in-a-lifetime stargazing opportunities.

Generally, summer is from June to September and winter is November to March. However, the colours of the Fall in Ontario and Quebec are well worth seeing and tourists are usually at a minimum during this time.

Ski season is mostly between November and April with Whistler's season continuing into June.

FESTIVALS & EVENTS

Canada hosts some of the world's biggest and best events, and listing them all would be impossible; however, we have selected some renowned festival dates that would add incredible experience to your holiday.

Why FLIGHT CENTRE LOVES CANADA

1 INCREDIBLE WILDLIFE

With a country the size of Canada it seems to make sense that it should provide a home to equally as large and majestic wildlife. West Canada is one of the best places to catch sight of black and grizzly bears as they hunt fish along the various inlets on the west coast above Vancouver. Or head north to discover the icy homeland of the polar bear. Fantastic whale watching opportunities present themselves on both coasts and, of course, no trip to Canada would be complete without going spotting for moose.

2 BREATHTAKING NATIONAL PARKS

Having the Rocky Mountains in your back garden takes some beating, so it's fair to say Canada boasts superior national parks that entice hikers and outdoors enthusiasts from around the globe. Crystal-clear lakes, such as the spellbinding Lake Louise in Banff, with the stunning surrounds reflected in its waters, contribute to unforgettable panoramas. Whether you are seeking the relaxation of natural isolation or looking for thrills and extreme adventure, you will certainly find it in Canada's national parks.

3 CULTURAL DIVERSITY

Officially a bi-lingual country, Canada's cities are versatile and cosmopolitan places that thrive under a rich blanket of multicultural influences. From the charming European-style architecture of French-speaking Quebec, to the vast array of multicultural cuisine on offer in Toronto that will spoil even the most discerning foodie, Canada's open and accepting nature makes for a fascinating trip.

4 WORLD-CLASS SKIING

Widely regarded as home to some of the world's best skiing and snowboarding spots, Canada's resorts offer fresh powder and long seasons. Just 2 hours from Vancouver stands the renowned resort of Whistler, with its two mountains providing high-quality skiing from November to June. Deep within the Rocky Mountains, the resort of Banff has an excellent snow record, as well as some of the most beautiful scenery any skier could wish for.

5 SELF-DRIVE ADVENTURE

With so much to see, why limit yourself to one city? For ultimate freedom and adventure, explore Canada at your own pace in your own motorhome. An extensive road network and well-equipped motorhome camping sites means Canada is ideal for discovering by road. Why not take your own tour of the vast national parks and experience the stunning beauty of the Icefields Parkway route from Banff to Jasper – a once-in-a-lifetime drive.

6 NORTHERN LIGHTS

With the south of the country boasting the natural wonder that is Niagara Falls, the north retorts with the magical Northern Lights. Visible throughout the far north of Canada, aurora borealis is the fascinating phenomenon that, if you're lucky, will leave you enamoured with unforgettable memories. We recommend viewing this shimmering display from the northern territory of Yukon, which is easily reachable by air from Vancouver.

Compose your own personal motorhome itinerary. Call one of our Canada travel specialists to discuss planning your unique route and experience.

“ Canada is such a massive country that **BURSTS WITH NATURAL BEAUTY** that exploring by road is a real treat in itself. I recommend driving **ICEFIELDS PARKWAY**, the road that links Banff to Jasper. It's stunning, and by far the best and **MOST SCENIC DRIVE** I've ever taken. We stopped at a motorhome campsite for the night about half-way between Jasper and Lake Louise and **WOKE UP TO SUCH AWESOME MOUNTAIN VIEWS** so we decided to stay another night and do some hiking. **I LOVE TRAVELLING WITH THAT FREEDOM.** ”

ROUTE OPTIONS to USA & CANADA

There are many flight options to the USA & Canada, and at Flight Centre we can help you decide the best option for your trip. We understand everyone is different, but we are on hand to give you expert advice to make sure you get exactly what you want from your holiday.

Stopping over en route to your final holiday destination has become increasingly popular over the last few years, meaning you have greater choice and flexibility when booking your dream holiday. Of course, stopping over isn't for everyone, so below we've highlighted the benefits of each, meaning you can make the best decision for your trip. For more information about stopovers please speak to your Flight Centre travel expert.

Direct flights:

Direct flights are great if you are short on time. You'll arrive to your destination quicker and without the added stress of having to change planes or the extra wait between flights. Once you're on the plane, you know you are headed directly to your final destination.

Stopover flights:

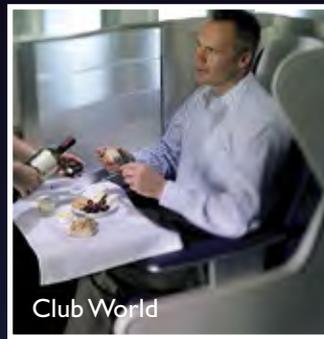

Maximise your holiday by visiting two destinations on your trip for no additional flight cost. Perhaps you fancy adding on a city break in New York on your way to Las Vegas, or want to experience the theme parks of Florida on your way to the national parks of California – your wish can become reality when you choose to stop over.

Indirect flights:

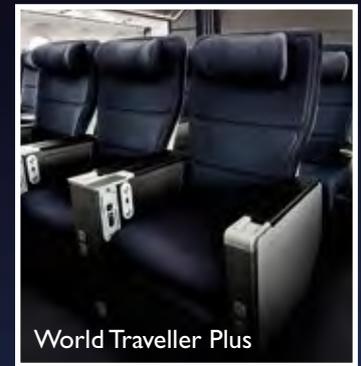

Indirect flights are a great way to break up a long journey – get off the plane, stretch your legs and refresh. This option is great for families or when travelling with elderly guests. For the price-conscious traveller, you'll often find cheaper fares if you're prepared to have a long overlay, meaning you've got more money to spend when you arrive at your destination!

Terms and Conditions

Your contract is with Flight Centre (UK), Company number 02937210, registered in England and Wales. Registered address Level 6, Cl Tower, St George's Square, High Street, New Malden, Surrey, KT3 4TE.

1. Your Agreement with Flight Centre (UK) Limited

By confirming your travel details with us, you are accepting that the terms of this agreement apply to your travel arrangements. This also applies to the conditions of any contract made with any supplier. This agreement is made on the terms of these booking conditions, which are governed by English Law and the jurisdiction of the English Courts. You may, however, choose the law and jurisdiction of Scotland or Northern Ireland if you wish to do so. Your Rights under this agreement are set out below. A contract will exist as soon as we issue our confirmation invoice.

2. Third-party Rights

A person who is not a party to these terms and conditions shall have no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these booking terms and conditions. This paragraph does not affect any right or remedy of any person which exists or is available otherwise than pursuant to that Act.

3. Supplier Terms and Conditions/Airline Conditions of Carriage

The supplier's Terms and Conditions and the airline's Conditions of Carriage will apply to your booking and we advise you to read these carefully, as they do contain important information about your booking. Please ask us for copies of these if you do not have them.

4. Packages

A package is a booking which comprises a combination of transport (air, rail or coach) with accommodation/car hire/tours, where all components are booked at the same time at an inclusive price. Any booking that does not include transport, or has only one element, is not a package.

5. Your Travel Arrangement's Price and Payment

Prices advertised are inclusive of tax unless otherwise stated. Prices are correct at time of publication and are subject to change without notice. Prices are per person unless otherwise stated, and are subject to availability. Seasonal surcharges may apply depending on the date of travel.

We reserve the right to alter the prices of any of the travel arrangements advertised. You will be advised of the current price before your contract is confirmed. Prices are not guaranteed until full payment is made.

To confirm your travel arrangements you will be required to pay a deposit per person in addition to any applicable supplements advised at time of booking. Some airfares are booked at especially competitive rates to which the airlines may attach severe restrictions. You may be asked to pay for these in full at the time of booking and they may be non-refundable in the event of a cancellation. Details will be given at the time of booking. Please note all deposits are non-refundable and non-transferable.

Changes in transportation costs, including the cost of fuel, taxes or fees chargeable for services, such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates, mean that the price of your travel arrangements may change after you have booked. You will be advised immediately.

Flight Centre (UK) Limited will collect all mandatory taxes; however, some countries may charge a departure tax that must be paid locally. We advise our clients to retain sufficient local currency to meet these charges.

Please note that for all bookings, a service fee from £16 will apply.

6. Payments

For payments by bank transfer or cheque, please ensure you check the exact amount with your travel consultant.

1. Personal (and Company) Cheques

Flight Centre (UK) Limited does accept personal and company cheques and these should be made payable to Flight Centre (UK) Limited. We require 10 working days for cheque clearance before tickets can be issued and hotels booked. Please confirm with your travel consultant that there is sufficient time between cheque payment and any ticketing deadline. Foreign currency cheques are not acceptable.

2. Bank and Building Society Drafts

Once the relevant bank or building society can verify the cheque, these are treated as cash.

3. Cash

Please do not post us cash.

4. Cards

a) Maestro, Switch or Visa Delta debit cards are accepted.
b) We also accept Visa, MasterCard and American Express, but a merchant fee of between 2% and 3% applies.

5. Direct Credit/Bank Transfer

Please contact your bank for details, using our bank details as provided by your consultant. Please notify the consultant you have booked through once payment has been made.

7. Flights and Flight Travel Documents

Your ticket and travel documents are your document of travel and the information on the ticket/voucher/invoice is deemed correct. It is your responsibility to check your air tickets and other documents immediately upon receipt. If any details are incorrect you must advise us immediately.

Please note that a flight described in your flight ticket as 'direct' will not necessarily be non-stop.

All departure/arrival times on your flight ticket are provided by the airlines concerned and are estimates only. They may change due to air traffic control restrictions, weather conditions, operational/maintenance requirements and the requirement for passengers to check-in on time.

We are unable to make any special arrangements for you if you are delayed; these matters are at the sole discretion of the airline concerned.

8. If You Change Your Booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way,

for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the lead-named passenger. You will be asked to pay an administration charge and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Note: Certain travel arrangements (e.g. Advance Purchase Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements.

When changing airline and train tickets we may have to rebook you to current fares. This may result in an increase in the cost of your ticket and taxes that we will have to pass on to you. These charges will be in addition to any date-change penalties you were advised of at the time of booking.

Please note: Name changes are not permitted in any instance.

Flights must be taken in the order that they are booked. If you do not check-in on a confirmed flight, the airline will register you as a 'no show' and the remainder of your ticket will be cancelled.

9. If You Cancel Your Booking

You may cancel your travel arrangements at any time. Written notification from the lead passenger and the original tickets/vouchers must be received at the branch where the booking was made. Since we incur costs in cancelling your travel arrangements, you will have to pay the applicable cancellation charges, which could be up to 100%. Any refund due to you will only be paid once we have received the refund from the supplier. Please note this may take up to four months. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges from your insurer.

10. If We Change or Cancel Your Holiday

Occasionally, we or our supplier may have to make changes to your original booking and we/they reserve the right to do so at any time. If you have not booked a package, we cannot accept any liability or costs incurred that may result from these changes. Most of these changes will be minor and we will advise you of them at the earliest possible date.

In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. Any changes to the actual airline after you have received your tickets will be notified to you as soon as possible and in all cases at check-in or at the boarding gate.

Please note that carriers, such as airlines, may be subject to change. Such a change is deemed to be a minor change. Other examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same standard or higher. No compensation will be paid for these.

We also reserve the right in any circumstances to cancel your travel arrangements. For example, if the minimum number of clients required for a particular travel arrangement is not reached, we may have to cancel it. This also includes for reasons of force majeure, pandemic or epidemic illness or failure by you to pay the final balance.

If you have booked a package and we are unable to provide the booked travel arrangements, you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). If it is necessary to cancel your travel arrangements, we will pay to you compensation.

Compensation Table

55-29 Days	£10.00
28-15 Days	£20.00
14-8 Days	£30.00
7-0 Days	£40.00

Force Majeure: This means that we will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster (such as volcanic ash), fire, adverse weather conditions and unavoidable technical problems with transport.

11. Tours and Excursions

Some tours and excursions operate with a minimum of two or more participants. In the unlikely event that the tour has to be cancelled, you will be informed immediately and your monies refunded. Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book locally, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

Local conditions can and do change, sometimes at short notice, and it is possible that the programme or running of any excursion or tour may be changed at short notice and sometimes without prior notification.

12. Airline Ticket Refunds

Where a ticket is refundable, the tickets will be forwarded to the relevant airline for their consideration. Once we have received any refund, we will forward it on to you, less any cancellation and administration charges. Refunds for partly used tickets are always less than pro-rata and may have no refund value whatsoever. Refunds usually take 12 weeks to process; however, this may take longer. Tickets returned more than one year from date of issue are classed as expired by the airline and generally have no refund value at all.

13. Flight Reconfirmations and Schedule Changes

We are not liable if there is any change to a departure/arrival time previously given to you or shown on your ticket. Please confirm all flights with the relevant airlines and check there have been no time changes to your original itinerary. While we will endeavour to inform you of any changes brought to our attention prior to departure, we will be unable to do so after departure. Failure to reconfirm any sector of your itinerary may result in you needing to purchase a new flight.

14. Ticketing

The maximum validity for any ticket is one year. However, the majority of tickets are valid for less. For scheduled airlines, the validity of your ticket will be displayed on your itinerary.

15. Seating and Special Requests

If you have any seating or special requests, we will pass these on to the relevant airline or supplier. Flight Centre cannot guarantee any requests, as these are entirely at the airline's or supplier's discretion.

16. Baggage Allowance:

If you are unsure of your baggage allowance please contact the relevant airline or your consultant.

17. Health Requirements:

Health facilities, hygiene and disease risks vary worldwide. You should obtain health advice on your specific needs as early as possible. It is your responsibility to ensure you have fully complied with all health and immunization requirements of the country you are visiting. Please contact your GP

18. Passports and Visas:

It is your responsibility to ensure that you have valid passports, visas and re-entry permits which meet the requirements of immigration and other government authorities. Any fines, penalties, payments or expenditures incurred as a result of such documents not meeting the requirements of those authorities will be your sole responsibility. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. All travellers must have a valid passport for international travel. Many destinations require that the traveller's passport has at least six months' validity from the date of return. For travel to/via the USA a machine-readable passport is required. If you need information regarding visa and other travel document requirements for your trip please let us know. We can obtain such information from an external visa advisory service provider on your behalf. We do not warrant the accuracy of such information and accept no liability for any loss or damage, which you may suffer in reliance on it. If you wish, we can obtain visas for you through this external service and fees will apply. Please allow adequate time to obtain any such advice or documents. If you are travelling to the United States please see <https://esta.cbp.dhs.gov> for information regarding compulsory pre-registration for their visa waiver programme. Please note, you may not meet the requirements of ESTA and may be required to obtain a visa.

19. Airline Passenger Information

Some countries and airlines are required by law to supply certain information to immigration authorities and failure to provide this information could result in the passenger being denied boarding. If you do not have this information to hand at the time of booking, please ensure you contact your consultant at the earliest opportunity. The information required is: Your passport details and country of residence and, for the USA only, the address of your first night's stay.

20. Insurance

For all travel, Flight Centre (UK) Limited would recommend that you purchase travel insurance. It is your responsibility to ensure you have valid travel insurance that covers your needs

21. Travel Advice

The Foreign and Commonwealth Travel Advice Unit may have issued information about your holiday destination. We strongly advise you go to www.fc.gov.uk to find out more about your destination/s prior to the commencement of travel. Alternatively, you can contact ABTA Information Department on 0203 117 0599 (calls will be charged).

22. If You Have a Complaint

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and your Flight Centre (UK) Limited travel consultant immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to our Customer Services Department at Level 9, CI Tower, St George's Square, High Street, New Malden, Surrey, KT3 4TE giving your booking reference and all other relevant information. It is strongly recommended that you communicate any complaint to the supplier of the services in question, as well as your Flight Centre (UK) Limited travel consultant without delay and complete a report form whilst in resort. If you fail to follow this procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Out of normal office hours, you may also contact our emergency assistance department on 0203 056 7993.

23. Our Liability to You

If the contract we have with you is not performed or is improperly performed by us, we will make good the arrangements or pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However, we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two-times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

- a) the contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract
- b) any relevant international conventions, for example the Montréal Convention in respect of travel by air; the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions. You can ask for copies of the international conventions, or the transport companies' contractual terms, from our head office at Level 6, CI Tower, High St, New Malden, UK, KT3 4TE.

24. Personal Injury Unconnected With Your Booked Travel Arrangements

If you, or any member of your party, suffer death, illness or injury whilst overseas arising out of an activity which does not form part of your package travel arrangements or an excursion arranged through us, we shall, at our discretion, offer advice, guidance and assistance.

25. Scheduled Airline Failure Administration Fee

If you are holding a ticket(s) on an airline which fails due to insolvency and has ceased flying, the money you have paid for your ticket(s) may be lost.

As part of the requirements under our Air Travel Organiser's License issued by the Civil Aviation Authority to protect our customers, Flight Centre (UK) Limited undertakes to ensure that, should this

happen, our customers receive compensation for their loss to the extent referred to below.

This means that Flight Centre (UK) Limited undertakes that, in the event of a scheduled airline failure arising solely upon a scheduled airline entering into an 'insolvent winding-up' (as defined by Rule 4.151 of the Insolvency Rules 1986 (as amended)) or equivalent insolvency process in any other jurisdiction other than England and Wales and ceasing to fly prior to commencement of a passenger's trip, all monies paid by the passenger either as a deposit, or as the case may be, as the price for the scheduled airline ticket(s) will be refunded to the passenger in full.

In the unlikely event of an airline failing after the commencement of your trip, please contact the store through which you booked so that the appropriate alternative arrangements can be made. You will be given the option of an alternative airline for the affected sectors. Flight Centre (UK) Limited will endeavour to keep these arrangements as close to your original itinerary as possible.

For administering both the repatriation of passengers and refunds (as explained above), Flight Centre (UK) Limited charges each customer a nominal administration fee. This fee forms part of the cost of each airline ticket purchased from Flight Centre (UK) Limited and is not optional.

26. Your Peace of Mind

We are a Member of ABTA, membership number W325X (if you have booked a package). We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with, this contract. The arbitration scheme is arranged by ABTA and administered independently. It provides for a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply to claims for an amount greater than £5000 per person. There is also a limit of £25,000 per booking. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can, however, deal with compensation claims which include an element of minor injury or illness subject to a limit of £1500 on the amount the arbitrator can award per person in respect of this element. Your request for arbitration must be received by ABTA within 18 months of the date of return from holiday. Outside this time limit arbitration under the Scheme may still be available if we agree, but the ABTA Code does not require such agreement. For injury and illness claims, you can request the ABTA Mediation Procedure and we have the option to agree to mediation.

Your Financial Protection

Flight Centre (UK) Limited hold an ATOL (Air Travel Organiser's Licence), under number 4267. This is issued by the Civil Aviation Authority. Many of the flights and flight-inclusive holidays we sell are financially protected by the ATOL scheme. But ATOL protection does not apply to all holiday and travel services. Please ask us to confirm what protection may apply to your booking. If you do not receive an ATOL Certificate then the booking will not be ATOL protected. If you do receive an ATOL Certificate but all the parts of your trip are not listed on it, those parts will not be ATOL protected. For more information about financial protection and the ATOL Certificate go to <http://www.atol.org.uk/ATOLCertificate>. When you buy an ATOL-protected flight or flight-inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. If your booking is ATOL protected, we, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL Certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We are a Member of ABTA which means you have the benefit of ABTA's assistance and Code of Conduct. We provide financial protection for your money when you buy a package holiday. If you buy other travel arrangements, such as accommodation only, this protection doesn't apply.

27. Privacy Policy

We are committed to protecting the privacy and confidentiality of your personal information. Please go to <http://www.flightcentre.co.uk/policies> to view our Privacy Policy.

We have measures in place to protect the personal booking information held by us and passed to the relevant suppliers of your travel arrangements. These may include public authorities, such as customs and immigration, along with security or credit card services. If you travel outside the European Economic Area (EEA), controls on data protection may not be as strong as those within the EEA. Unless required to do so by law, we will only pass on your information to persons responsible for your travel arrangements, which may include sensitive information, such as details of disabilities, dietary or religious requirements. When making a booking you are consenting to relevant information being passed on as above.

28. Telephone Calls

Telephone calls may be recorded for training purposes.

29. Brochure Accuracy

Our brochures are necessarily prepared many months in advance of the holiday season to which they relate and therefore some of the advertised facilities or products may no longer be available or may have been altered. As a result, changes may be made to the particulars contained in the brochure at any time. Our brochures are not issued on behalf of the airlines mentioned therein and do not commit the airlines mentioned therein or any airline whose services are used in the course of your travel arrangements. All photographs used are for the purposes of illustration only and should not be taken to be literal representations of actual facilities, accommodation or services offered, unless otherwise advised.

30. Use of Material in Brochures or on Our Website

All copyright and other intellectual property rights in any material, including text, photographs or other images contained in a brochure or displayed on our website, are either owned by us or have been licensed by the owner for our use. If you wish to use any of the information or material contained in this brochure or displayed on our website, you must first obtain our written permission, or that of the owner of the rights to the material, as the case may be.
